

Neu! To the Ionian Islands DVD

A recommended long range cruise

To the nautical highlights of Greece

This video provides impressions of a long range cruise to the center of the Ionian islands, the look and feel of this fantastic region to sail. The voyage starts in Croatia, goes along the Italian coast southwards to cross the Street of Otranto and arrive on Greek island of Othonoi. In Corfu begins a round trip where selected sites like Paxos, Levkas, Meganison, Ithaka and the top destinations along the mainland are presented. All the recordings of this film were made on board. The feeling of cruising is live to see. Many pictures were made in bird's-eye view. So you will have a perfect vision of the bays, anchorplaces and harbours visited.
